

Free teacher training offered for a limited time.

When you purchase a minimum of 30 eligible Windows 10 Education devices for your school.

Teacher professional development is key to successful digital transformation. To help your educators use technology effectively in the classroom, your school can receive teacher training at no additional cost when you purchase 30 eligible Windows 10 education devices. Learn how to use Windows 10, Microsoft Teams, Office 365, OneNote Class Notebooks, Microsoft Forms, and more to empower your students to achieve more.

About Windows 10 Devices

Affordable Windows 10 student devices are built for education, so they can withstand the rigors of everyday student use. Combined with Microsoft Office 365 Education with Microsoft Teams and OneNote for classroom collaboration and a modern device, Windows 10 can help you deliver personalized learning, save teachers' time, and put students at the center of their own education.

Offer Details

Qualifying education customers can earn a maximum of 20 hours of virtual teacher training when purchasing between 30 and 300 eligible Windows 10 education devices.

30 devices = 2 hours free teacher PD.

300 devices = 20 hours of free teacher PD.

2 hours for every 30 devices purchased.

Each training session can be made available to up to 30 educators simply by submitting purchase details to the Microsoft Store contact email listed below.

Educator Courses included in the PD offer

Windows 10: Create a World of Tomorrow in Your Classroom

Create a world of tomorrow in your classroom with easy to set up devices and apps, amazingly integrated tools for learning, and features that engage all types of learners. This course will review the best of Windows 10 for education. Educators completing this course will feel comfortable getting started with Windows 10, using universal apps, inking, and interacting with various types of content, and setting up new classroom devices.

All About Teams for Education

Teams is an online classroom hub designed with instructional efficiency and student growth in mind. In this space, teachers can organise and share classroom objectives while increasing student engagement and ownership of their learning goals. Students can also develop digital citizenship, engage their creative capabilities, and think critically about the world. The All about Teams course introduces teachers to the basics of Teams, readying them for collaboration with others and initiating the conversation about instructional use of the platform.

Unlock Microsoft 365 for the Classroom

Microsoft 365 and the Microsoft apps contained in it enhance the way teachers share and create information and materials, address common challenges, and connect with each other. This workshop introduces teachers to the basics of M365 and OneDrive, readying them for using Microsoft apps they're already familiar with and new apps that will enhance their classroom practice and organisation. Teachers use M365 apps to complete common instructional practices such as collaborating, organising, and creating with colleagues. These explorations show teachers how familiar and new apps apply directly to their teaching practices.

Microsoft Store

This offer is available with support from the team at the Microsoft Store to help empower educators to create a truly engaging learning environment with Microsoft tools for education.

Offer Terms and Conditions

Offer Period. Offer commences 00:01 AEST on March 2, 2020 and ends 23:59 AEST on June 30, 2021. Qualifying customers shall be eligible to receive up to a maximum of 20 hours of educator professional development for thirty (30) educators based on number of select Windows 10 devices purchased during the Offer Period. Professional development will be provided by qualified Microsoft Store team members.

Eligibility. This offer is for the following markets. Canada, U.S., Australia, United Kingdom, Sweden, Denmark, Norway, Netherlands, Spain, Germany and Brazil. Offer only available to qualifying customers. Qualifying customers are Qualified Education Users, excluding any students, who purchase select Windows 10 education devices for a K-12 educational institution, during the Offer Period. Definitions of Qualified Education Users vary by geography and may change. You will be required to verify that you are a qualifying customer before you receive your educator professional development.

Professional development. Professional development must be scheduled and completed within the first year of device purchase. Professional development cannot be sold or transferred. No cash redemption, except where required by law. You are responsible to pay the training partner for any additional professional development. To the extent applicable, the Microsoft Services Agreement applies.

Redemption. You will redeem the professional development from Microsoft Store via the email address provided above. Timing, location and/or method of training to be determined post purchase between the parties and is dependent on the local conditions, for example training is currently being delivered virtually. Cancellation within 48 hours of scheduled training will forfeit the right to redeem the professional development offer. Professional development cannot be redeemed before 00:01 AEST on March 2, 2020, and must be redeemed on or before 23:59 AEST on June 30, 2021. Microsoft reserves the right to reject any applications for redemptions made after this time.

To redeem your professional development, contact the Microsoft Store via the email address referenced in this flyer on or after 00:01 AEST on March 2, 2020. Microsoft reserves the right to reject applications for professional development where requested information is not provided. Microsoft reserves the right to amend or withdraw this offer at any time and to deny and/or disregard any applications for redemptions deemed in Microsoft's sole discretion to be false, fraudulent, or ineligible. This offer cannot be used in conjunction with any other offer or free
